Swabs – All mares must have a veterinary certificate stating that the mare has been swabbed/tested and is free from infection, fit for breeding, prior to arrival at stud. Due to the occurrence of swamp fever in the South of England, all mares now need to be blood tested for E.V.A and E.I.A.

Veterinary Examinations – Mares will be under the supervision of Rainbow Equine Veterinary Surgeons. I agree to allow Julie Lawson and staff to administer any treatment prescribed by a veterinary surgeon to my mare

Keep of mare – Visiting mares may be grass livery or stable kept as requested. Mrs Julie Lawson has the right to change the status of the keep should she consider it to be in the interest of the mare/ foal and the owner will be charged accordingly. No Foal No Fee – If the mare has veterinary proof that she is not in foal by Oct 1st the stud fee less the booking fee will be returned.
